## Santa Cruz County HMIS – PATH Adult Status Update and/or Annual Assessment

As of February 1st, 2025 a service provider must complete a PATH Adult Status Update Assessment during the months of - February, May, August, and November when an adult client or the Head of Household has been enrolled in a PATH-funded program, regardless of whether their information has changed. After the client has been enrolled in the program for 1 year, the service provider must complete a PATH Adult Annual Assessment in lieu of a Status Assessment. This form can be used for either the Status Assessment or Annual Assessment because the same information is collected, however, please be sure to select the appropriate Assessment type when entering this data into the HMIS. Separate PATH Status and/or Annual Assessment Forms must be completed for each adult household member. A separate Standard Status and/or Annual Assessment Form must be completed for children as well, but please be sure to use the Standard Child Status and/or Annual Assessment Form.
